

PURPOSE

Campus Residences is a premier choice for many of our students. In recent years, we have expanded our housing offerings to meet the increased demand from our students. As a campus, we prioritize all newly admitted students who meet deposit and application deadlines for their first year of housing. For continuing students, we prioritize those with current housing agreements. Students who do not live with us must join the on-campus housing waitlist to see if they can be housed.

POLICY

All first and second-year full-time undergraduate students with a permanent legal residence beyond a 30-mile radius of campus must live in the on-campus residence halls for the entire academic year.
