20 -200 Cost of Attendance Adjustment for Computer Purchase

Name_____ Student ID_____

Complete this form to increase your Cost of Attendance budget. By increasing your budget, you may become eligible for additional loan money in the form of Parent Loans, Stafford Loans and/or alternative loans.

To increase your budget for a computer purchase, you must purchase the computer during the 2006/2007 Academic Year (5/26/06 – 4/30/07) or within a reasonable period of time prior to the academic year.

An initial computer purchase, including CPU, monitor and basic software, can be obtained at a base price of approximately $1000. Additional upgrades of hardware and software that may be needed during the college career should not exceed $1500. Given this information, the Office of Financial Aid will allow students to increase their cost of attendance by a total of $2500 for any 3-year period
